# FIDEVE Group :

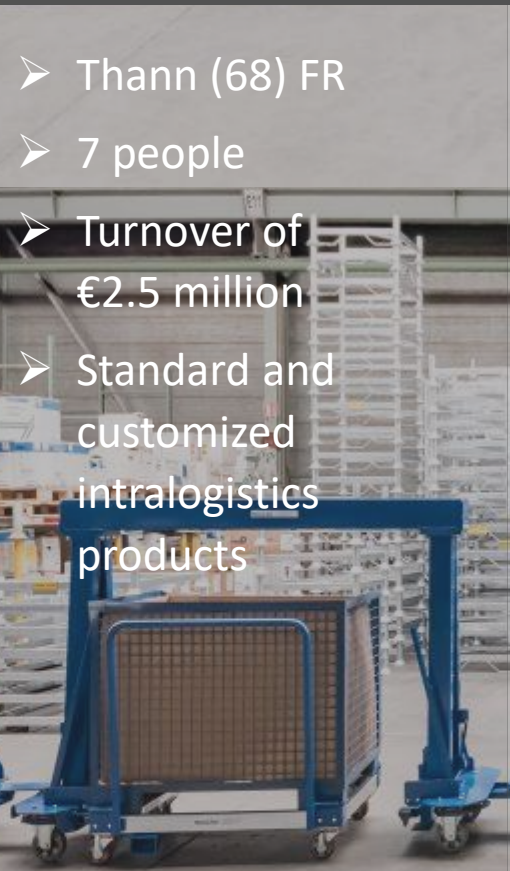

Today the group has 480 permanent employees, a surface area of **70,000 m<sup>2</sup>**, a turnover of **56 million** euros in 2019, processes more than **7,000 tons** of sheet metal annually and **invests** continuously in its companies.

## ManuLine

- Thann (68) FR
- 7 people
- Turnover of €2.5 million
- Standard and customized intralogistics products

- Thann (68) FR
- 70 people
- Turnover of €10 million
- Thin sheet metal work medium and large series

## OURÉVAL

- Neuve Eglise (67) FR
- 30 people
- Turnover of €5.5 million
- Cutting & stamping large and very large series

## FAÇONNAGE MÉTALLIQUE

- Champagnole (39) FR
- 20 people
- Turnover of €2 million
- Single sheet metal work, small and medium series
- Construction of Mechanically Welded Frames and Frameworks

- Glos (14) FR
- 350 people
- Turnover of €36 million
- Products for the electronics industry (19-inch racks, electronic racks, etc.)

# FIDEVE & OURÉVAL History

OURÉVAL 

FIDEVE group creation

Purchase of MANULINE,  
a company specialized in  
material handling.

FIDEVE group buys  
the company ATOS

1973

OURÉVAL SA creation

1993

FIDEVE takes over the  
company AIF THANN which  
becomes **AMS** thin sheet  
metal working in **2000**.

1999

2005

Purchase of  
**FAÇONNAGE  
METALLIQUE** (39)

2014

Today, all the companies are  
100% owned by the FIDEVE  
group.

2021

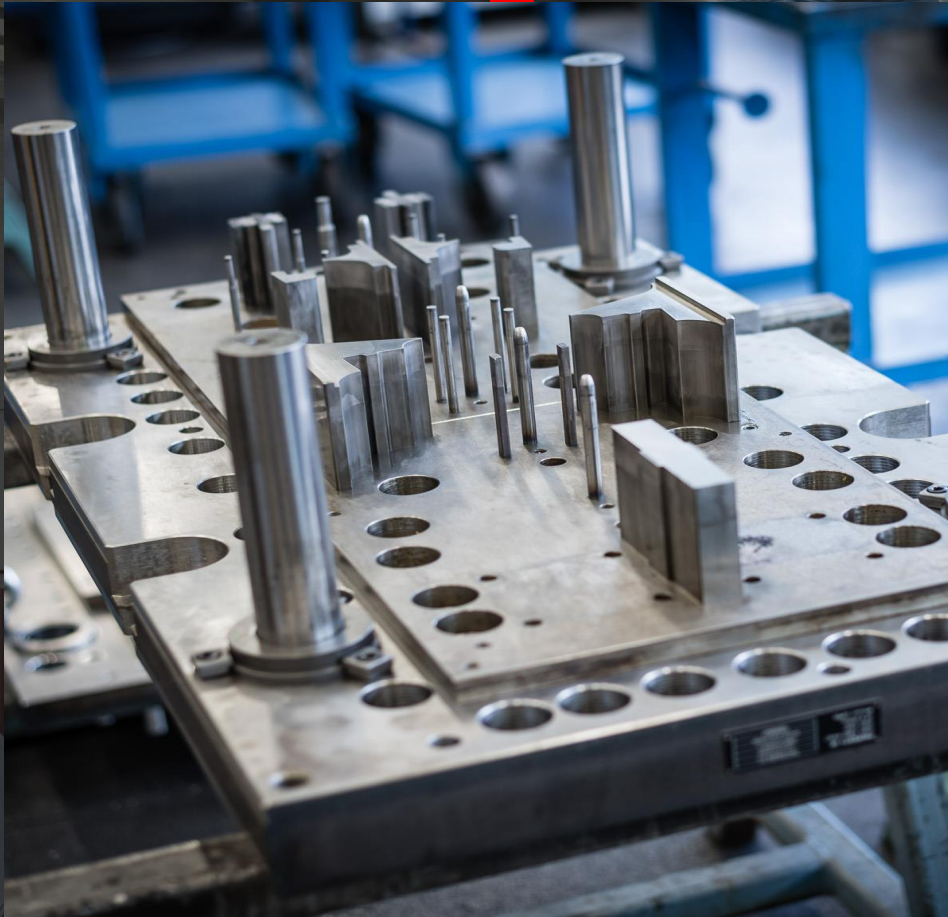

## Our company

OURÉVAL

Fidève  
Groupe

Une synergie à votre service

Founded: 1973

Employees : 30

Turnover: €5 million

Covered area : 3 700 m<sup>2</sup>

Processed materials: 1500 Tons/year in coils

Values: **Quality, Flexibility, Reactivity**

# Savoir-Faire

OURÉVAL

Fidève  
Groupe

Une synergie à votre service

Co-development & Cost  
optimisation

Design & manufacture of  
press tooling

Cutting & stamping on  
automatic press lines

Assembly &  
packaging

OURÉVAL

# Applications et secteurs de marché

OURÉVAL

Une synergie à votre service  
**Fidève  
Groupe**

**1**

**Automotive**  
sector, which  
accounts for  
**60% of sales**

**2**

**Building sector**

**3**

**Household  
appliances  
sector**

**4**

**Energie  
sector**

**5**

**Agricultural  
Metallurgy  
Plastic**

# Our strengths

**Manufacturing** of parts in large series on automatic numerically controlled presses

Design & **production** of tools

Sheet thicknesses: **0,5 to 5 mm**

**1500** tons of sheet metal processed annually

**Materials:** steel, coated steel (galvanized, EZ, pre-painted), aluminium & stainless steel ....

OURÉVAL 

**A certified partner :**  
IATF 16949  
ISO 9001  
Bureau Veritas

Our values :  
**Reactivity**  
**Quality**  
**Flexibility**

The **assurance** of a respected delivery date

**Competitive prices**

**FIDEVE group :**  
**Synergy,**  
**complementarity**  
**& stability**

**50 years of experience**

The strength of a group and the flexibility of an SME :

- Reactivity
- Direct relationship
- Control of the production

## Production workshop

- ✓ 4 stamping cutting lines
- ✓ 3 automatic 160 Tons presses controlled by numerical control
- ✓ 1 Press of 400 Tons automatic controlled by numerical control
- ✓ 10 rework presses from 25 to 400 TON
- ✓ 1 press brake of 170 TON at CN
- ✓
- ✓ 1 welding press
- ✓ 1 spot welder
- ✓ 1 MIG - MAG welding robot
- ✓ 3 MIG, TIG welding stations
- ✓ 3 tapping machines
- ✓ 3 semi-automatic crimping equipments

## Press tooling workshop

- ✓ **2 machines d'électroérosion** par fil 520 x 350 x 300
- ✓ 1 fraiseuse à CN 4 axes 1200 x 700 x 665
- ✓ 3 rectifieuses planes

## Design office

- ✓ 3 personnes BE
- ✓ Logiciel de conception 3D :
- ✓ VISI PROGRESS / SolidWorks

## Additional services

- ✓ Welding, crimping & assembly
- ✓ Assembly of sub-assemblies and complete products
- ✓ Powder coating (epoxy powder, polyester) carried out by a company of the group
- ✓ Surface treatment & heat treatment
